Dear Lauri,

Again, you and your dancers were one of the highlights of Oktoberfest 2006. Your program was thoroughly enjoyable, fast paced, varied, great music and great dancers. You all improve every time that we see your program. Congratulations on a job very well done.

Last year, Oktoberfest 2005 contributed over \$90,000 to the children's charities supported by the Tucson Optimist Clubs. The proceeds from this year's Oktoberfest will enable the Optimist Clubs to contribute even more.

Entertainment groups like yours are one of the main reasons Oktoberfest 2006 was such a huge success.

Thank you again,

Bob and Anne Baker
Entertainment Coordinators

P.S. Bonnie, thank you for the very nice note on behalf of The Tap Sensations.
